“ If not now, when? ”

Bienvenue à AIDS IMPACT 2007

1991

Amsterdam
PAYS-BAS

La Conférence AIDS Impact est le principal événement international spécifiquement dédié aux sciences humaines et sociales dans le secteur de l'épidémie VIH.

1994

Brighton
ROYAUME UNI

La dernière conférence à Cape Town en Afrique du Sud a réuni plus de 700 participants du monde entier. Cette opportunité a permis de valoriser la recherche en sciences sociales sur l'épidémie du VIH dans les pays en voie de développement.

1997

Melbourne
AUSTRALIE

La première Conférence AIDS Impact date de l'année 1991 à Amsterdam aux Pays-Bas. Depuis, AIDS Impact est organisée tous les 2 ans.

1999

Ottawa
CANADA

En 2007, Marseille et sa Région sont fières d'accueillir la 8^{ème} Conférence AIDS Impact. Ce congrès est organisé par l'INSERM-Unité de Recherche 379 et l'Institut Fédératif de Recherches SHESS-AM (IFR 134 « Sciences Humaines, Economiques et Sociales appliquées à la Santé » à Aix-Marseille).

2001

Brighton
ROYAUME UNI

2003

Milan
ITALIE

AIDS Impact 2007 propose la création d'un réseau de collaboration entre les aspects médicaux, psychologiques et sociaux du VIH, tout en offrant une plateforme où chercheurs, médecins et patients pourront dialoguer et débattre.

2005

Cape Town
AFRIQUE DU SUD

2007

Marseille
FRANCE

En 2007, divers événements et activités seront organisés après la conférence par des associations non-gouvernementales impliquant le grand public.

Welcome to AIDS Impact 2007

1991

Amsterdam
NETHERLANDS

The AIDS Impact Conference is the most important international event specifically devoted to Human and Social Sciences in the field of the HIV epidemic.

1994

Brighton
UK

The last conference was held in 2005 in Cape Town, South Africa, and brought together more than 700 participants from all over the world. It was also an unique opportunity to give more space to research in social sciences dealing with the HIV epidemic in developing countries.

1997

Melbourne
AUSTRALIA

The first AIDS Impact Conference goes back to the year 1991 when it was organised in Amsterdam, Netherlands. Ever since, AIDS Impact has taken place every other year.

1999

Ottawa
CANADA

In 2007, the city of Marseilles, France, is proud to be the host of the 8th AIDS Impact Conference. The conference is co-organised by the INSERM Research Unit 379 and the Federative Research Institute SHESS-AM (IFR 134 - "Human, Economic & Social Sciences" applied to Health in Aix-Marseilles).

2001

Brighton
UK

2003

Milan
ITALY

The focus of AIDS Impact 2007 is on the creation of a network between the biological, psychological and social aspects of HIV by offering a platform where researchers, practitioners and users can engage in dialogue and debate.

2005

Cape Town
SOUTH AFRICA

In 2007, there will also be a series of events and activities organised outside the conference by local Non Governmental Organisations so as to involve the general public as much as possible.

Marseille : Informations

Entourée de collines, Marseille s'étend sur 57 km de côte méditerranéenne, incluant le site naturel unique des Calanques, un paradis pour les amateurs de randonnée, de natation et d'escalade.

Le soleil est un des atouts majeurs de son agréable mode de vie. Le Mistral lui donne cette lumière spéciale qui a inspiré de nombreux peintres de renom tels que Cézanne, Braque, Dufy, Derain, Marquet et bien d'autres...

De nombreux monuments sont les témoins de sa longue histoire : Vestiges romains, Eglises médiévales datant du V^{ème} au XII^{ème}, Forts du XIII^{ème} et XVII^{ème} à l'entrée du port.

De plus, Marseille est seulement à 25 mn d'Aix-en-Provence par navette.

Marseille : Informations

General Information about Marseilles

Marseilles is surrounded by a ring of hills. The city winds 57 kms along the Mediterranean coast, including the unique natural site of the Calanques massif, a paradise for hikers, swimmers and climbers. Sunshine is one of the strong assets of its pleasant lifestyle, and the Mistral wind gives it that special light that has inspired many renowned painters such as Cézanne, Braque, Dufy, Derain, Marquet and others...

A large variety of monuments are testimonies to this long history; these include Roman remains, medieval churches from the Vth to the XIIth century, forts at the entrance of the harbour from the XIIIth and XVIIth centuries.

Marseilles is also only 25 minutes away from Aix-en-Provence by shuttle.
